DESCRIPTION

Jasol's Environmental Choice EC13 is an environmentally responsible and superior strength automatic dishwashing machine liquid. With its low foaming, rinse free formula EC13 cuts through the toughest of soils in all water conditions, leaving your crockery and cutlery sparkling clean. EC13 is made from renewable plant sources and is readily biodegradable. It is an environmentally responsible choice for your cleaning needs.

DIRECTIONS FOR USE

EC13 should be dispensed through Jasol electronic dosing equipment for maximum use cost benefits and optimum results. It must not be used for washing pots by hand.

EC3 should be added to machines at a rate of 2-4mL/L of water depending on the degree of soiling and water hardness.

Please recycle packaging by replacing cap and returning clean containers to recycler or designated collection point.

Consult your Jasol representative for further information.

SAFETY INFORMATION

EC13 is classified as Hazardous according to the GHS.

EC13 is classified as Dangerous Goods according to ADG Code (7th Ed).

EC13 is a Scheduled Poison according to SUSMP.

Avoid contact with eyes and skin. Refer to SDS for further information.

FIRST AID INFORMATION

For advice in an emergency, contact a **Poisons Information Centre (Phone Australia 13 11 26 or New Zealand 0800 764 766) of a doctor at once.** If swallowed do NOT induce vomiting. Wash out mouth thoroughly with water and seek medical attention. If in eyes, hold eyelids apart and flood with water for at least 15 minutes. If on skin, wash affected area with plenty of water. Seek immediate medical attention.
