Directions

1. TO REDUCE ODOURS IN THE AIR: Shake can well. Point can towards centre of the room and spray.
2. TO DISINFECT: Spray pre-cleaned surface until wet. Allow to stand for 10 minutes. Not intended to be used on medical devices.
3. TO DEODORISE: Spray on surfaces as needed. Test a small area that cannot be seen for colourfastness first. Keep children and pets off treated surfaces until dry.
4. Do not use on bedding, mattresses, clothing, leather or silk, polished wood, painted surfaces, or acrylic plastics.
DO NOT SPRAY ON PETS.

STORAGE AND DISPOSAL

Content under pressure. Do not store or use near fire, flame or any incandescent material. Keep in a cool place out of the sun. Do not store in a direct sunlight. Do not expose can to temperatures above 50°C, such as may occur in cars, or near heat, stoves or open flames. Dispose of can by putting in garbage, or leaving it at a recycling collection point. Keep away from sources of ignition - No smoking. Store below 25°C.

Precautionary Statement

PRODUCT WARNINGS:

Not intended to be used on medical devices and other therapeutic goods. Keep out of reach of children and pets. Highly flammable. May irritate eyes. Avoid spraying near eyes. Before using product, use in one room and wait 24 hours to ensure that no one has any physical reactions to the product.

FIRST AID:

If in eyes wash out with copious amounts of water. If irritation persists, contact a doctor. For advice, contact a Poison Information Centre (Australia 13 11 26; New Zealand 0800 764 766) or a doctor. Asthma and Allergy Sufferers: Consult your doctor.

IMPORTANT INFORMATION:

Not to be used for any purpose, or in any manner contrary to the product label unless authorised. Spray may leave some hard floors slippery. To avoid slips or falls, do not concentrate spray over hard floors.
