haléco

eco super thins

How do Haléco nappies stack up?

1. 5 layers of absorbent plant-based ingredients. Yes you heard that right, we use plants!
2. Haléco nappies are stretchy for a super comfy fit. Uncompromised comfort for active bubs.
3. Haléco nappies has a wetness indicator so you know when it's time to change your baby.
4. Eco reduced plastic side tabs that stick!
5. We are all about safe, no nasties nappies. Haléco has no harmful chemicals, perfumes, lotions or latex. We choose super soft, breathable and hypoallergenic Plant-based materials.
6. Ultra thin and ultra absorbent first class tech nappy for 12+ hours of dryness without the bulk.
7. Plant-based inks used on all printed areas on our nappies, in Aussie botanical illustrations, designed in Australia.
8. We've reduced the plastic in our Haléco nappies without taking away the performance.
