

# INOX

## SCOUR 'N' SPONGE 3PK

STAINLESS STEEL, REMOVES TOUGH GRIME

### PRODUCT DIMENSIONS

135 x 95MM PER PIECE

### CARTON

12 PACKS OF 3 PIECES

### HACCP CERTIFIED.

Australia Food Safety Certification provides a recognized endorsement

to guarantee a product's suitability for use within a food related environment.

The unique INOX yarn is knitted to increase its durability and life compared to the average stainless steel ball.

It is ideal for cleaning stainless steel pots, pans, dishes, cutlery, coffee machine steam wand, Oven doors etc.

The INOX Scour 'N' Sponge design combines the cleaning power of a stainless steel ball with the flexibility of a sponge to clean edges of the pan.

### FEATURES & BENEFITS

- Heavy duty cleaning performance.

- Easy removal of stubborn burnt on and baked on grease and grime.

- Designed to be durable and hold shape longer than the average stainless steel ball.

- Unique design holds more water to create more detergent foam.
