

Kresto® Special ULTRA

Specialist Heavy Duty Hand Cleaner

PRODUCT DESCRIPTION

Specialist hand cleaner paste with mild ester based solvent formulation to remove difficult adherent contaminants.

WHERE TO USE

For use in industrial environments including print, paint and bodyshops, where specialist adherent contaminants are encountered.

INSTRUCTIONS FOR USE

- Apply 1 dose before adding water direct to soiled hands
- Rub in to loosen dirt
- Add a little water and continue washing
- Rinse with plenty of water and dry thoroughly

FORMAT: PASTE

FEATURES	BENEFITS
Good Environmental Choice Australia Certified Product	This product has been independently certified as meeting the requirements of Good Environmental Choice Australia PCPv4.1i-2013 Personal Care Products Standard. See www.geca.eco .
With mild ester based solvent	Specialist solvent provides outstanding cleaning action without harming the skin.
Effective specialist cleaning	Removes alkyd and acrylic paints, base coats, lacquers, resins, body fillers, adhesives and varnishes.
Highly concentrated formulation	Uses 100% active ingredients in a clay-thickened matrix, enabling only a small amount of product required for effective and economical cleaning.
Contains patented Astopon® natural scrubbing agent	Astopon® is produced from refined walnut shell powder, a natural and renewable source and helps provide a deep clean without damaging the skin and has no negative impact on the environment. The scrubbing agent is easily rinsed away, preventing blocked drains and pipes.
Soap-free formulation	Formulated for frequent use to be gentle to the skin.
Low odour	Pleasant to use with high level user acceptance.
Silicone-free	Suitable for use in any production sites where paint and surface coating processes are undertaken.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/au/sds.

SHELF LIFE

This product has a shelf life of 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

CERTIFICATION

The **Good Environmental Choice Australia** Ecolabel certification scheme is Australia's leading environmental certification program. GECA's Ecolabel trade mark indicates the environmental performance of a product has been certified from multi-criteria perspective. Products that carry the Ecolabel trade mark are certified environmentally preferable by GECA.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.
