

Stokoderm® Sun Protect 50+

SPF 50+ UV skin protection lotion for professional use

PRODUCT DESCRIPTION

Broad spectrum perfume-free, water resistant and sweat resistant SPF50+ sunscreen for professional use to protect the skin against the harmful effects of UVA and UVB rays.

WHERE TO USE

Outdoor workers exposed to UVA & UVB sun rays.

INSTRUCTIONS FOR USE

- **Apply liberally to clean, dry skin and rub in evenly 20 minutes prior to sun exposure. On the average-sized adult, a minimum of 35mL should be applied. That is the equivalent of 1 teaspoon of sunscreen to each arm, leg, front of body, back of body, and face (including neck and ears).**
- **Re-apply every 2-3 hours, as a minimum, or more often if sweating heavily.**

Caution: Applying an insufficient amount of product reduces the protective performance. Over-exposure to the sun is a serious health threat. Even sunscreen with a high SPF does not offer full protection against UV rays and does not replace the need to use/wear appropriate personal protective equipment and clothing. Avoid excessive UV exposure. Keep babies and young children out of direct sunlight and wear protective clothing. Avoid eye contact.

FORMAT: **LOTION**

FEATURES	BENEFITS
High performance	Sun Protection Factor of 50+ provides very high protection against the sun's UV-A and UV-B rays.
Water resistant formula	Withstands immersion in water.
Moisturises	Contains a high level of moisturisers to condition the skin.
Pleasant to Use	Contains vitamin E to soothe and condition the skin.
Perfume-free	No added perfume. Ideal for people who are sensitive to perfumes and prefer products which do not have perfume added.
Neutral pH	Ensures compatibility with the skin and reduces the risk of any possible irritation.
Silicone-free	The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.
Versatile	Can be used under clothing to minimise the risk of penetration of the sun's rays through the fabric onto the skin.
